★★★★★ **Wonderful product!**

November 1, 2017

I received a mag-boosta for my birthday, went down and saw Pete and had it fitted in minutes!

At first my 2004 Daihatsu terios seemed to run a little better, then over the next few tanks fills I saw the fuel consumption steadily decrease. I was getting approximately 400 km a tank, Now I get at least 550!

Thanks heaps to Pete and Dan at DQS!
