Hi Peter

Thank you so much for the *amazing* Mag-Boosta. It has made all the difference !

I drive a Hyundai i10 and I can't believe that for my light and fuel efficient car, I am making monthly savings. My petrol consumption has gone down, my car feels nipper and more responsive. If that's not enough, I'm saving on maintenance.

The installation of the Mag-Boosta was extremely easy and I love the fact that I can take it off and put it on another car, if need be.

Honestly, an outstanding product. I'm very grateful to have heard of the Mag-Boosta.

Kind regards
